Akshara Aavishkara

The Kalyana Karnataka Regional Development Board (KKRDB) in Kalaburagi has launched the 'Akshara Aavishkara' program to boost educational development in the Kalyana Karnataka region. Allocating 25% of its annual funds, KKRDB focuses on enhancing basic infrastructure and educational quality.

In the 2023-24 fiscal year, the program has introduced pre-primary classes in 1,008 government primary schools, bilingual classes in 872 schools, and NSQF (National Skills Qualifications Framework) classes in 306 schools across seven districts. A significant aspect of the scheme is providing child-friendly furniture for LKG and UKG classes. Impressively, local villagers, alumni, and education enthusiasts proactively supplied this furniture before the government's procurement, showcasing community pride and involvement.

The 'My School, My Responsibility' program aligns with these community efforts. The collaboration between KKRDB, the Karnataka government, alumni, and stakeholders aims to create a better educational environment.

Dr. Ajay Dharam Singh, Chairman, KKRDB addressing the press meet regarding Akshara Aavishkara.
